DESIGNED FOR GREATNESS

## **THE MODERN ARCHITECTURAL SURFACE IN A BIG SLAB**

Indonesia's leading ceramics industry, Titanium Lamina Granite rides on the wealth of experience and solid foundation of our group, PT Platinum Ceramic Industry which has been established 50 years ago.

Our vision leads us to a sense of innovation and excellence, which are reflected on our products, as they suit your professional and exclusive character, thanks to our world-class machinery.

Through passion and integrity, our vision also lives on in our team. It is what drives us to always do and be better from yesterday. Our business idea supports this vision by offering a wide range of remarkably designed porcelain slabs that ignite luxury to every corner of the room.

# HIGHLY-EXPERIENCED LOCAL COMPANY

A local company with more than 50 years of experience that committed to build Indonesian economy by building factories, absorbing human resources. With own productions, the availability of stock is always maintained.

### **FIOR DI BOSCO**

Fior Di Bosco is an extraordinarily hard-wearing material, just like its stone-like appearance would suggest. Grey constitutes the dominating colour, declined in all possible shades, thanks to veins that are evident to various degrees, running more or less deep.

### **FIOR DI BOSCO**

120 x 120

### **IBIZA CREMA**

120 x 120

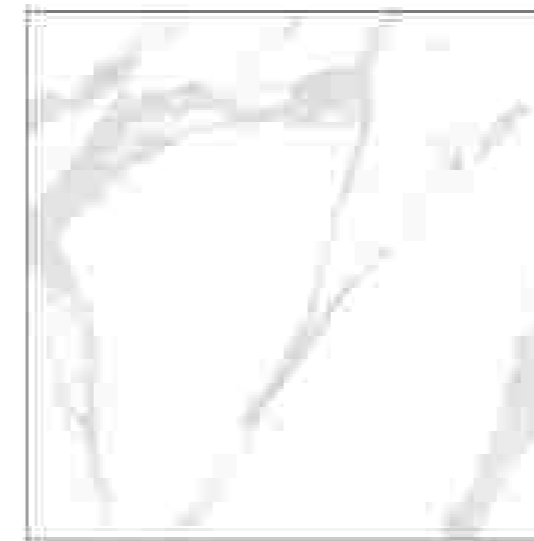

### **IBIZA**

ibiza reinterprets the charm of ancestral stones, which human stories have always been based on. Ibiza's intense simplicity finds itself to a timeless beauty.

### DRAGO

The sophisticated anthracite background colour is run through with fine, candid grains that add a harmonious visual effect and the possibility for transversal use, in terms of both taste and application. An unmistakable style, superb production and high performance make Drago Nero an irreplaceable surface for enhancing any architecture or interior design project.

### STATUARIO VENICE

120 x 120

### DRAGO NERO

120 x 120

### STATUARIO VENICE

Statuario Venice enriches Titanium collection with refined grey veining that stands out on the white background. Refined grey veining on a white background brings brilliance and elegance to private homes and public or commercial spaces.

### CARRARA

Carrara lends a wonderfully exclusive touch to every room. Sublime grey veining cuts the white of the surface in a perfect balance of colour and aesthetics. The inimitable classical taste of Carrara: a fine, decorative solution, enriched by unrepeatable degrees of colour intensity and veins that always differ from one another.

**CARRARA GRIGIO**

120 x 120

**MARBELLO GREIGE**

120 x 120

### MARBELLO

That primordial human need to shape and transform natural elements can be traced back not only to our instinct of self-preservation, but to an innate desire to express ourselves as well.

**KALAHARI CREMA**

120 x 120

NAUF

### **KALAHARI**

The inimitable classical taste of Kalahari: a fine, decorative solution, enriched by unrepeatable degrees of colour intensity and veins that always differ from one another. As of today you will be able to personalise your floors and coatings even more.

## FROST

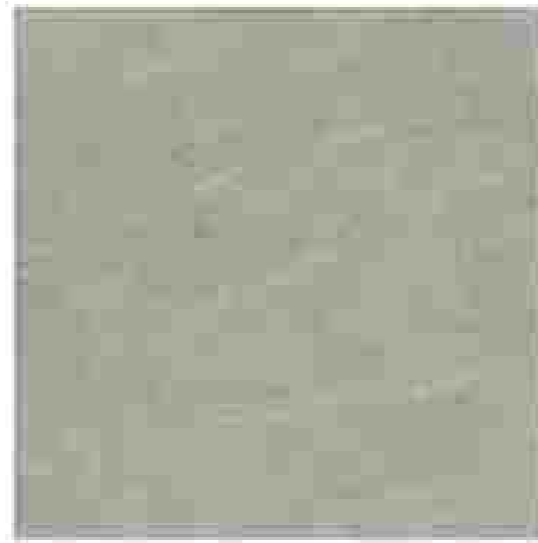

Frost surfaces are inspired by the origins of the universe. With a natural look rich in sophisticated details, Frost responds perfectly to the most refined and contemporary demands of designers. Its harmonious, earthy colour shades create high-impact combinations in both the most classical and more elaborate and trend-setting projects.

Wall : **MALAGA GRIGIO**

**ARMANI**

Armani is the new line that is inspired by urban style, offering timeless and limitless surfaces. The immensities of universe are the inspiration source of Armani. Over the classical sintered stone size limits and beyond spatial boundaries, with its chromatic and shape solutions, stands as a new frontier for sintered stone slabs.

**MALAGA**

Inspired by basalt, a volcanic rock that in nature originates from lava which rapidly solidified in contact with air or water.

## MONREAL

Monreal is inspired by sedimentary rock. Featuring a dark brown background with soft vein which comes from different cuts of travertine stone. In particular, Monreal's polished finish accentuates its soft cloudy surface appearance. Suitable for both classic and contemporary projects. Monreal is a timeless & elegant option that adds elegance to any room.

Floor & Wall : **MONREAL DARK BROWN**

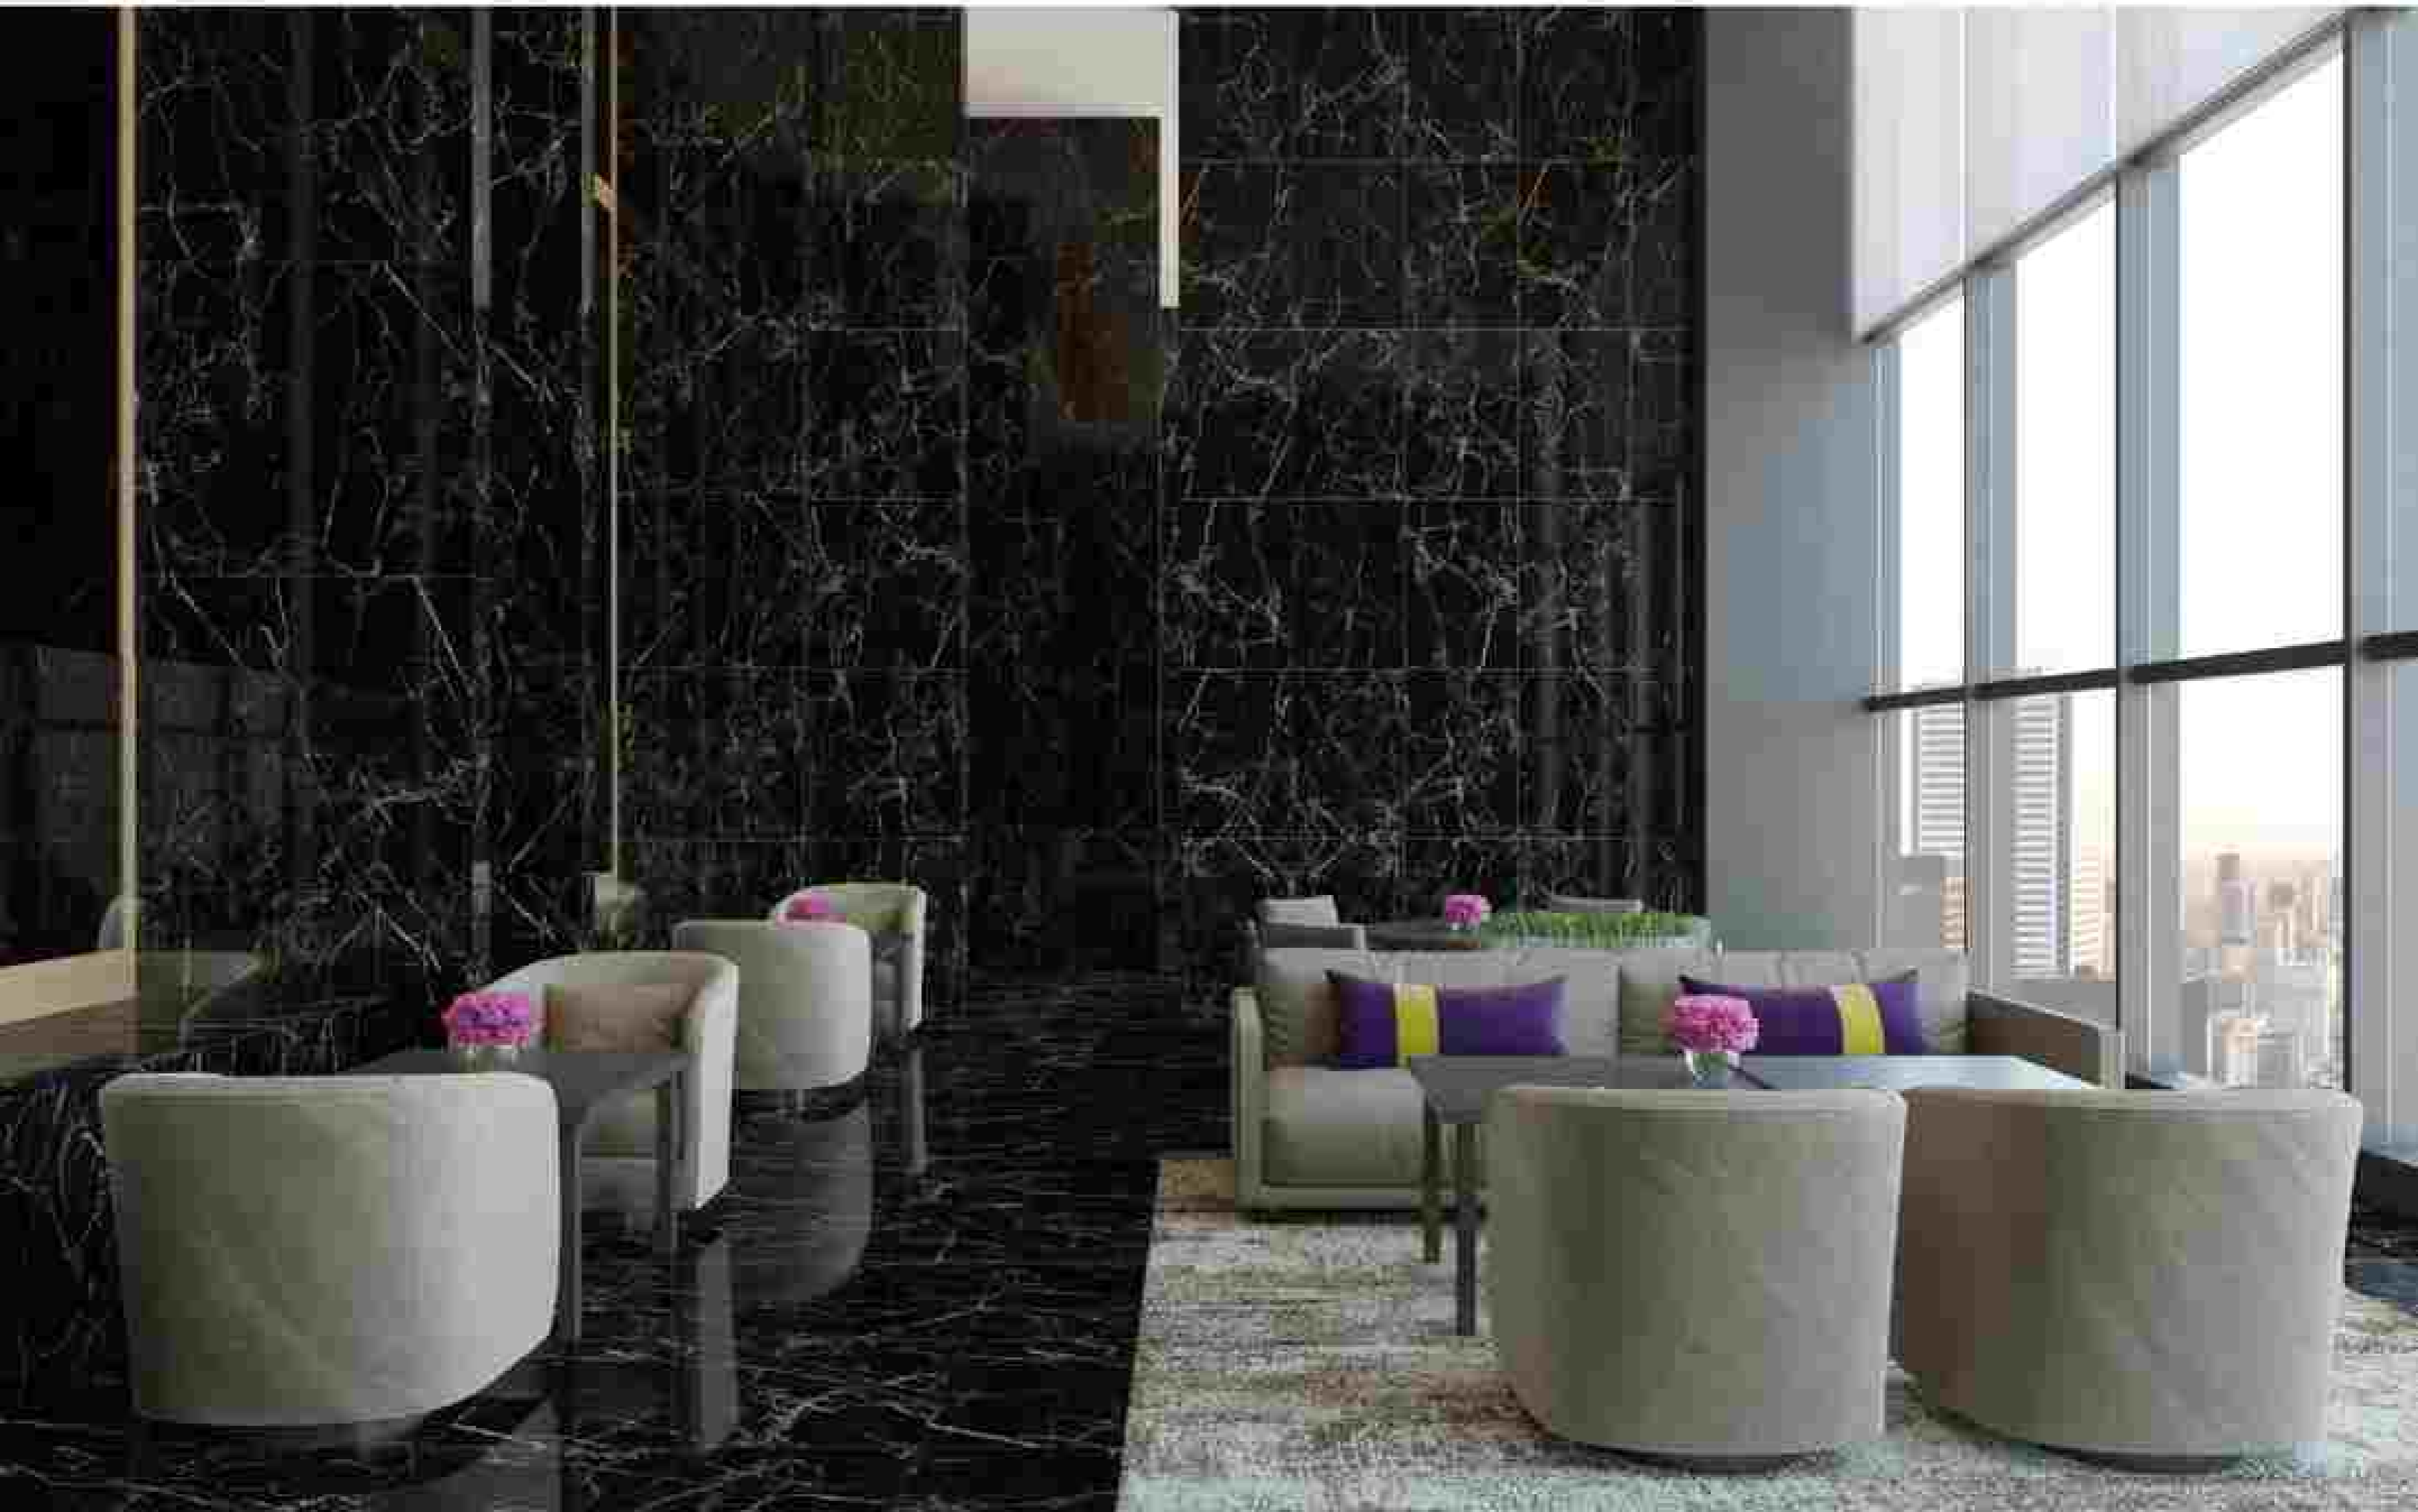

## SAINT LAURENT

In a uniform solid shade of black, with subtle fine veins, Saint Laurent Black creates an atmosphere with a taste of elegance. Revamped classics on large-format lamina sintered stone slab for interiors with a truly unique appeal. Bringing stylish elegance to residential and commercial floors with great potential to create different layouts.

Floor & Wall : **SAINT LAURENT BLACK**

## VENETO

Inspired by the natural brilliance of marble, Veneto Gold is one of Titanium's most sophisticated Grand Luxe Collection due to its hyper-realistic design and its well-made finishes. Due to its versatility and strength, Veneto Gold can be used as a floor or wall tile and eliminates any space limitations, making each piece a decorative element. A classic collection that modernize the use of tiles and recalls the craftsmanship and attention to detail of the ancient sculptors.

TITANIUM  
LUXURY RESURFACING

Floor & Wall | **VENETO GOLD**

## KASHMIR

This collection imitates the light contrast of marble. It will enhance the lighting in all interior spaces. With its imperceptible joints and natural shine, Kashmir can create the feeling of an infinite space.

## BELGIUM

The lamina sintered stone slabs in the Belgium collection draw their inspiration from the enigmatic charm of Scandinavia, those places where stone is a dominant part of the landscape; here, nature itself, with its strength, erodes the rock to create beguiling protrusions and dips which stand proudly and solemnly on the North Sea.

Owing to its extreme versatility, Belgium can be applied both indoors and out, and it is designed to interpret both more contemporary and minimalist tastes as well as the more refined and stylish ones.

### **TERRAZZO TRENTO**

Terrazzo Trento draws inspiration from the flavour of Northern stone. With an aesthetic characterised by a subtle but evident texture, this harmonious surface adapts to both minimalist and luxurious environments thanks to a formal precision that makes it very versatile.

## COEM

Coem stands out for its exclusive elegance, reproducing the beauty and simplicity of soft quartzite: a material that acts as a magnificent source of inspiration in projects. This quartzite gives a 3D effect in which the striated textures seem to exit and re-enter the surface. In conjunction with a matte finish, the end result will look good whether used as a wall or floor tile.

- Color and other aesthetic features shown in this catalogue as close as the limitation of the printing process will allow.
- Some variations in color shade, finish and tolerance in bookmatched / endmatched designs are inherent in granite products.
- Always view several samples before making final selection.
- Different may occur between samples and final product.
